

## **Smart Home Entertainment Pack**

Virgin Media broadband customers can purchase the 'Virgin Media Smart Home Entertainment pack' containing the following google devices: Google Nest Mini, Google Home, Google Chromecast to compliment your existing Virgin Media service/bundle of services. To help you install your devices this pack comes with an (optional) free Smart Tech Set Up. Payment for the devices is by monthly instalment of €15 over a 12 month period or by making one payment in the amount of €180. Subject to application check. The cost of your Smart Pack is in addition to the price payable by you for your current or new Virgin Media service/s. If you have chosen to have the devices installed by one of our installers please ensure you have inspected the device and are happy with the condition of it prior to it being installed. We will not accept returns on units that have been installed. For full Terms and conditions see [www.virginmedia.ie/smarthome](http://www.virginmedia.ie/smarthome)
