

# COMMERCIAL SCHEME

Ready.  
Set.  
Grow!

Hell bent on delivering transformational products and services that will help improve the digital lives of our customers

During the two-year Commercial graduate scheme, you'll spend six-month stints rotating across four crucial areas of our commercial operations: Virgin Media Solutions, Content Marketing, Customer Relationship Management (CRM), and Marketing and Social Media.

Be at the forefront of the all-ringing, all-streaming digital entertainment and kick start your career at one of the country's most free-thinking and fun-loving brands.

The scheme has been designed to give you an understanding of how these functions are closely related within the business, and end-to-end experience of how our commercial projects are developed from a bright idea to the next big thing!

Our commercial teams are passionately driven so we'll expect the same enthusiasm from you – we like to work hard, and have fun while we're at it!
